

Chamber Encouraged to Use Cloth Bags

The realization that plastic bags flying around our community and ending up in our landfills is a great concern and we hope to reduce the use of plastic bags in Carstairs.

The Carstairs Co-op is a great example of having cloth bags as an option to their customers. The customers can purchase the cloth bags from the retailer.

We hope that this information is valuable to you as a retailer and we can count on your support in encouraging the use of cloth bags in your place of business.

Please contact Jan Thompson if you need information regarding the purchase of cloth bags, companies and related cost at jant@town.carstairs.ab.ca and I can be reached at (403) 337-3341 Extension 224.

If this environmental initiative is something your business would like to take part in I would be interested in hearing from you. Thank you for your time and we wish you continued success in your business here in Carstairs!
