

CITIZEN QUESTIONNAIRE...

The most important way we can build a Sustainability Plan for Carstairs is to listen to what our citizens envision their community to look like over a period of 5 – 20 years. This questionnaire will help us to hear your voice. The public is also welcome to participate in the Public Sustainability Workshop to be held on the evening of Wednesday April 22, 2009.

1. Do you reside in Carstairs?
2. What are you most proud of about Carstairs?
3. What do you hope and envision for Carstairs over the next 5 – 20 years? What is your description of success for a sustainable community?
4. What changes would you like to see? Please list any action items.
5. What is the current reality in terms of recycling or energy conservation issues in Carstairs? What action items would you like to see happen?
6. Are your comments your personal wishes or governed by a group or organization?
7. What organization are you affiliated with?
8. How many members are in your organization?
9. Do you recycle?
10. To What Extent do you recycle?
